

Eliminating Careless Error: Easy Learn & Teach Parent's Manual to Rid Children's Arithmetic of Careless Error., 2005, 73 pages, 0976478404, 9780976478409, Back Fence Publishing, 2005

'Eliminating Careless Error' is a long overdue book. It is the only book available which specifically addresses the number one problem in arithmetic education - how to know if your answer is correct without redoing the problem. The method was developed by the author, James Watt and carries an affidavit endorsement from Dr. James E. Bennett, Ph.D. Mathematics. The material is simple to read and understand. Children think it is a magic trick when they learn it. The method astonishes parents.
